Call for Abstracts
The Scientific Committee of the 2016 Southern African HIV Clinicians Society Conference hereby invites you to submit papers of high quality in HIV research. Work that introduces new research, ideas and understanding to the field is encouraged.

Abstract Guidelines:
- Abstracts must be submitted online
- Submissions are peer reviewed for scientific content, logical presentation, and current interest of the topic to the scientific community
- Submission deadline is 30 October 2015
- Information pertaining to format requirements, conference tracks as well as awards can be viewed at http://www.sahivsoc2016.co.za/index.php/abstracts
